
21/04/2017 (18:00 to 19:30): Games night

28/04/2017 (18:00 to 19:30): Disability awareness

05/05/2017 (18:00 to 19:30): Cooking night

12/05/2017 (18:00 to 19:30): Get Knotted!

Knitting is one of the traditional skills associated with Scouting. Leaders may need to run through the knots ahead of the meeting to ensure they know the difference between a reef knot and a granny!

Ask Peter Lewis and other leaders to help

19/05/2017 (18:00 to 19:30): Making music

A meeting of 'music' that involves making instruments. You might use the musical Stomp as inspiration. They create music from bowls, dustbins and broom handles. You could ask your Cubs to bring in some suitable materials from home, but have a good stock for those who will forget.

26/05/2017 (18:00 to 19:30): Half term - no meeting

02/06/2017 (18:00 to 19:30): Walk around the village / Glovers

Organise a trip to Glovers farm

09/06/2017 (18:00 to 19:30): Sailing at Danson Park

<http://www.bexley.gov.uk/article/11176/Schools-and-youth-groups>

£228 for 24 cubs or £114 for 12 cubs - charge £10 per cub

16/06/2017 (18:00 to 19:30): Geocaching

Around NAG

Treasure Hunts

Geocaching trail: Participants navigate to a specific set of GPS co-ordinates using a GPS device and then attempt to find the geocache

(container) hidden at that location. The containers should have something inside from your Pack such as a Group name tape. You can get geocache coins to leave in the hidden containers. Each Cub could set up their own geocache and decide what they are going to put into the container.

Scouts or Explorer Scouts could set up the course for the Cubs to follow or you could set up one for other packs in your District to use at a later date. Visit geocachingscouts.org.uk/ for more information.

A great way for Cubs to work towards achieving the Navigator Staged Activity Badge.

Safari meal: Cubs follow a set of clues which

lead them to visit different bases that give them the components of a meal. Have a mug of soup at one, a hotdog at another, a drink at another, jelly and ice cream at another. In built up areas, your parents may host the bases in their front garden, garage or you could set up bases in gazebos or small tents.

QR Code trail: Set up a QR (Quick Response); these codes can be read by a mobile phone or iPad with a QR code reader app. The codes can be set up to lead the reader to information about how to find the next clue or could give the reader a question or a message. Cubs can be recorded giving information directly to the reader. These trails can be set up indoors such as around your local library so that people could find out about Cubs locally.

Night trails: Set up a night time trail using glow sticks. Old CDs, hung in trees, can be picked up by reflection using torches or pre-charged cheap solar lights which can be stuck in the ground.

23/06/2017 (18:00 to 19:30): Farningham Woods

how to light a fire
hike

30/06/2017 (18:00 to 19:30): Longfield & Hartley Rounders

07/07/2017 (18:00 to 19:30): Tennis

Could a tennis coach come to the pack - or can we go to Hartley for a session?

14/07/2017 (18:00 to 19:30): Belchamps Cub Camp

<http://www.belchamps.org.uk/activities/>

Lazer guns, traversing high ropes, water waltz ?

<http://www.belchamps.org.uk/wp-content/uploads/2016/03/Scout-and-Guide-price-2016.pdf>

21/07/2017 (18:00 to 19:30): Water fight
